

Foundation Stage Intent

We want our children to leave the Foundation Stage:

- as resilient individuals with a positive sense of self
- as confident communicators who share their thoughts, ideas and opinions
- as active listeners who have mutual respect as they work with others, problem solve and make decisions
- as St Peter's citizens who understand their role within the community and their value in service with others

We want our children to leave the Foundation Stage:

- with a love of learning and a sense of awe, wonder and curiosity about the world around them
 - with a love of reading – to further extend, explore and immerse in a world of books and experiences that will broaden their horizons
 - with a broad range of in depth, hands-on and concrete experiences that are meaningful and relevant to their world
