

Foundation Stage Implementation and Impact

Implementation

- strong warm and supportive relationships enabling all children to thrive socially and emotionally
 - expert teaching of an engaging curriculum
 - high quality adult interactions within a carefully constructed, purposeful environment
- high quality continuous provision indoors and outdoors
 - a rich reading environment with high quality texts, representing our children, their interests and the diversity of the world around them
 - a robust approach to the teaching of phonics
- continuous assessment of learning and addressing gaps to support and challenge each individual

Impact

- children's fluency and mastery incrementally improves
- children know more, remember more and can do more
- children achieve at least a good level of development and are ready for their next stage in education
