Welcome from our Headteacher

On behalf of the children, staff, and governors, we welcome you to St Peter's Church of England Primary School in Portishead.

We are a welcoming, inclusive family school with a strong Christian ethos, a sense of community and a commitment to excellence for all children in our care.

We think of excellence in three different ways:

Excellence in who we are - we aim to ensure that all our children are becoming people who are kind, generous and respectful individuals.

Excellence in all we do - we aim to ensure that each of our children becomes an enthusiastic, resilient learner.

Excellence in our service with others - we aim to help all our children to become people who want to work to make the world a better place.

We are extremely proud of our school and the achievements of all of our children.

In 2020, SIAMS said:

"There is a passionate team commitment, which enables all pupils to make 'marvellous mistakes' that build character, perseverance and excellence in the choices they make. Consequently, behaviour is of the highest standard. Relationships are close and harmonious."

In February 2023, Ofsted said:

'Pupils thrive at this highly inclusive and welcoming school. They fully understand what it means to be a 'St Peter's Citizen'.

Pupils say that this helps them feel part of a community where everyone gives their best and sets a positive example to others.'

'Relationships between staff are warm and respectful.

Staff, including those who are new to teaching, are proud to work at the school and value its team spirit. They appreciate how leaders consider their workload and support their development.'

I hope you will enjoy learning more about what it is like to be a part of our very special school community and warmly invite you to visit the school to find out more about life at St Peter's.

Catrin Battista, Headteacher
