

Dear Parents/Carers and Children,

Welcome back to term 2. I hope that you have all had a good week and the children are rested and ready to return for the busy Christmas term! This information letter will contain full details of all the main events that are happening so please do take time to read this. In addition to all the notices, we begin this term looking at our second value of the year – **kindness** – and I want to share with you some of the things that we will be exploring and building on within our school community.

Being a St Peter's Citizen: Kindness

"Nothing beats kindness," said the horse. "It sits quietly beyond all things." Charlie Mackesy

This term, our school value is **Kindness**. Together, we will be exploring how even the smallest kind acts or thoughtful words can make a big difference — brightening someone's day and helping to build a caring, positive school community. We'll also be thinking about the impact that unkindness can have, and how we can be more mindful and considerate in the way we speak and act towards others. For our older pupils, this will include reflecting on kindness in our online interactions, so that whether in the classroom, playground, or digital world, we all contribute to an environment where everyone feels safe, respected, and valued.

Sharing Your Child's Learning and Progress

It was wonderful to see so many of you at our parents' evening meetings at the end of last term. Opportunities to see your child's work, and celebrate this with them, continue this term with our popular share sessions. This term's share sessions will be on a Wednesday. We have placed these on different days, in each of the terms, so that we can reach as many working families as possible. Please note that there is no FS stage share session this term.

These sessions run from 8.30am until 8.50am. Please be aware that pushchairs must not be brought into the school building. Thank you.

Extra-Curricular Clubs

Extra-Curricular Clubs start again this week and will finish for the term on Friday 5th December.

Anti-Bullying Week: Odd Socks Day Monday 10th November

Please wear your finest pair of odd socks to school on this day!

This term, our school value is *Kindness*, and Anti-Bullying Week gives us a special opportunity to celebrate how kindness truly makes a difference. The theme this year, **Power for Good**, encourages everyone to take positive action to counter the harm and hurt that bullying causes. Inspired by the Anti-Bullying Alliance, which leads this important campaign across the UK, we'll be empowering our pupils to speak out, support others, and build a community where **Kindness Wins**. To launch the week, our Anti-Bullying Ambassadors will lead a special assembly on *Odd Socks Day*, reminding us that our differences make us unique — and that by choosing kindness every day, we all have the Power for Good.

Family Day: Friday 14th November

We will be concluding Anti-Bullying Week with a fabulous family day morning when our family groups will get together with their friends from across the school and explore the power of positive connections and kind acts.

Remembrance Service Tuesday 11th November

On Tuesday 11th November, we will be marking Remembrance Day with our annual service that is prepared and delivered by our year 6 pupils, alongside the British Royal Legion. We will be collecting money for the Poppy Appeal on Tuesday 11th, before and after school, at the school gates so if you would like to support this very worthy cause, please bring your donations. Every child in school will be given a poppy to wear to our school service which will take place that day at 10.45am.
